

CLAIRE IACOBUCCI

CONSULTANT, RESEARCHER AND PROJECT COORDINATOR

"Arlington Partners International's approach is highly effective because it blends industry knowledge with a commitment to understanding a company's unique culture. This ensures that prospective leaders not only have the necessary skills and experience to be successful, but Arlington identifies talent that is also aligned with the organization's values. Arlington's integrity and focus on long-term relationships makes them a trusted partner for strategic talent solutions."

Claire is a Consultant, Researcher and Project Coordinator at Arlington Partners International. In her role at Arlington, Claire supports Arlington's Corporate Practice, as well as the Corporate Office of the Chief Executive Officer. Her responsibilities include project coordination and execution, research, operational support for Managing Directors, Consultants, and Client Partners. Claire provides support for Arlington's work in private, public, and not-for-profit companies across various industry sectors.

Claire has a diverse range of experiences in various industries such as human resources, business operations, and executive search. Claire's skillset includes project management, research, communications, and customer service.

Claire earned her Honours Bachelor of Arts in Philosophy from Queen's University. She also completed an exchange semester at SciencesPo in France where she earned a Certificate in Social Sciences and Humanities.
