

LUCY VASIC

**ARLINGTON ALLIANCE PARTNER
LEADERSHIP COACHING AND ADVISORY SERVICES**

"I believe that human nature is the one constant in this age of increasing acceleration. The faster technology delivers possibilities and the more unpredictable the world around us becomes, the more likely we are to "react", rather than "create" desired outcomes. In my role as leadership coach, I help clients create space and harness the "power of the pause". The resulting clarity enables deliberate, thoughtful and strategic actions that better serve the long-term interests of leaders and their organizations."

Lucy Vasic is a Leadership Coach and Alliance Partner of Arlington Partners International. A recognized human capital industry leader, certified coach and trusted advisor to senior executives for over 25 years, Lucy builds solutions that support strategic organizational change using a consultative approach. She brings a broad business perspective with depth in the Financial Services, Hospitality, Professional Services, Technology and Pharmaceutical industries, as well as Human Resources functional expertise. Leveraging deep leadership and coaching experience, Lucy takes a broader, strategic view to understand the needs of corporate and executive clients alike, helping them make effective decisions with clarity and insight.
